NOTICE IS HEREBY GIVEN of the imposition of a special levy ("Special Levy") by the Volterra Public Improvement District (the "District") on the real property located within the District (more particularly described in the attached Exhibit A, which is hereby incorporated into and made a part of this Notice). Pursuant to NMSA 1978, § 5-11-20.C (2013, as amended) the maximum annual amount of the Special Levy that may be imposed on each class of property in the District is identified in the Rate and Method of Apportionment of Special Levy (the "RMA"), which is attached hereto as Exhibit B and is hereby incorporated into and made a part of this Notice.

The Special Levy will be apportioned according to the typical lot width and the amount of the annual Special Levy imposed by the District will not exceed (a) \$2,000.00 per year for any residential property designated as a 60' lot in the RMA, (b) \$1,687.00 per year for any residential property designated as a 55' lot in the RMA, (c) \$1,440.00 per year for any residential property designated as a 50' lot in the RMA, (d) \$1,192.00 per year for any residential property designated as a 45' lot in the RMA, (e) \$1,161.00 per year for any residential property designated as a 40' lot in the RMA, (f) \$900.00 per year for any residential property designated as either a 35' lot or 30' in the RMA, and (g) \$822 per year for each 1,000 square feet of non-residential building area designated as non-residential property in the RMA. The lot width designation, and corresponding levy classification, applicable to each lot is shown on *Exhibit A* to the RMA.

Prior to June 1 of each year in which the Special Levy is imposed, the District will reapportion the Special Levy to the legal parcels established within the District and existing as of the time of reapportionment, in accordance with the RMA. The Special Levy will be imposed during each year in which the District's special levy bonds are outstanding, and will be allocated to real property within the District in accordance with the following steps¹:

- First, The Annual Special Levy shall be collected from each Parcel, or portion thereof, of Permitted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;
- Second, If additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel, or portion thereof, of Unpermitted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy; and; and
- Third, if additional monies are needed to fund the Special Levy Requirement after the second step, the Annual Special Levy shall be collected from each Parcel of Unplatted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy.

¹ Capitalized terms used in the following description of the apportionment of the Special Levy and not otherwise defined in this Notice shall have the meanings assigned to them in the RMA attached hereto as Exhibit B.

As provided in NMSA 1978, § 5-11-20 (2013, as amended), the Special Levy constitutes a lien on property located within the District, having a priority coequal to the lien of property taxes. The Special Levy shall be subject to foreclosure by the District at any time after six months following written notice of delinquency to the owner of the real property to which the delinquency applies. The lien shall include delinquencies, penalties and interest thereon at a rate not to exceed the maximum legal rate of interest per year and penalties otherwise applicable.

Pursuant to NMSA 1978, § 5-11-23.F (2001) and NMSA 1978, § 5-11-20.G (2013, as amended) and Section 4.P of City of Albuquerque City Council Bill No. R-12-47, Enactment No. R 2012-35, adopted on May 21, 2012, the District has established the following foreclosure and redemption procedures for delinquent Special Levies:

a. On or before December 15 and May 15 of each year in which the Special Levy is in effect, the District Treasurer shall review the public records of Bernalillo County relating to the collection of the Special Levy in order to identify the real property to which any Special Levy delinquency applies.

b. Within 60 days after identifying delinquencies in payment of the Special Levy in each year in which the Special Levy is in effect, the District shall provide written notice of delinquency ("Notice") to the owners of any parcel determined to be delinquent, which Notice shall state (1) the amount of the delinquency as of the date of the Notice applicable to the parcel, (2) that the delinquency, including applicable interest and penalties, must be cured within 180 days following the date of the Notice (the "Notice Date"), and (3) if the delinquency is not cured within that 180-day period, the District or its designee shall have the power to commence foreclosure proceedings with respect to the real property to which the delinquency applies.

c. Following the expiration of the 180-day period provided in a Notice, the District shall have the power to institute foreclosure proceedings with respect to all parcels or tracts for which a Notice has been provided.

(ii) Any delinquent special levy shall be subject to foreclosure in the manner provided by law for the foreclosure of mortgages on real estate, except as otherwise provided herein.

a. Purchase the tract or parcel sold at the foreclosure sale.

b. Bid, in lieu of cash, the amount of the special levies, interest, penalties, attorneys' fees, and costs found by the court to be due and payable under the resolution

creating the lien and any cost taxed by the court in the foreclosure proceedings against the property ordered sold.

c. Upon the purchase of the tract or parcel, title to the tract or parcel of land, subject to the right of redemption provided by paragraph (vi) of this section, vests in the trustee of the fund from which the special levy bonds are payable.

(iv) No real property shall be sold to satisfy a delinquent levy until at least fifteen days after the date of the order, judgment or decree of the court, within which time the owner of the tract or parcel of land may pay off the decree and avoid the sale.

(v) After the expiration of the fifteen-day period, the property may be sold at a public or private sale subject to the right of redemption.

(vi) Any property sold under any order, judgment, or decree of court to satisfy the special levy lien may be redeemed at any time within one year of the date of sale by the owner or mortgage holder or other person having an interest, or their assigns, by repaying to the purchaser or his assign the amount paid plus interest from the date of purchase at the lesser of twelve percent per year or the maximum legal rate.

(vii) The proceeds of the sale of the foreclosed tract or parcel of land at either a public or private sale shall be applied as follows:

a. First, to the payment of costs in giving notice of the sale and of conducting the sale;

b. Second, to costs and fees taxed against the tract or parcel of land in the foreclosure proceedings;

c. Third, on a pro rata basis, to the indebtedness claimed under the special levy lien and any other lien on the property that has a priority co-equal to the special levy lien; and

d. Fourth, after all costs, liens, levies, assessments, and taxes are paid to the former owner, mortgage holder or other parties having an interest in the tract or parcel, upon the foregoing person's providing satisfactory proof to the court of the interest and upon approval of the court.

(viii) Receipts for the satisfaction of the indebtedness claimed under the special levy lien shall be paid into the proper District fund for payment of the principal of and interest on the special levy bonds.

(ix) No public rights of way or public property shall be subject to foreclosure by the District.

assigned to levy classifications 1 – 6 shown in Table 1 below based on typical lot width in accordance with Exhibit A. Non-Residential Property shall be assigned to levy classification 7. Parcels in each of the seven levy classification(s) shall be further classified as Permitted Property, Unpermitted Property, or Unplatted Property.

C. MAXIMUM ANNUAL SPECIAL LEVY

Subject to Sections C.1 and C.2 below, the Maximum Annual Special Levy for a Parcel of Levyable Property shall be determined by reference to Table 1.

TABLE 1 VOLTERRA PID MAXIMUM ANNUAL SPECIAL LEVY	
LEVY CLASSIFICATION	MAXIMUM ANNUAL SPECIAL LEVY
(1) Residential Property: 60' Typical Lot Width	\$2,000 / Dwelling Unit
(2) Residential Property: 55' Typical Lot Width	\$1,687 / Dwelling Unit
(3) Residential Property: 50' Typical Lot Width	\$1,440 / Dwelling Unit
(4) Residential Property: 45' Typical Lot Width	\$1,192 / Dwelling Unit
(5) Residential Property: 40' Typical Lot Width	\$1,161 / Dwelling Unit
(6) Residential Property: 30' and 35' Typical Lot Widths	\$900 / Dwelling Unit
(7) Non-Residential Property	\$822 / 1,000 Square Feet of Non-Residential Building Area

The Maximum Annual Special Levy for a Parcel of Unplatted Property and a Parcel of Unpermitted Property located within Juan Tabo Hills Tract 4A shall be calculated by multiplying the anticipated number of Dwelling Units and/or anticipated amount of Non-Residential Building Area for such Parcel, determined in accordance with Exhibit A and the Site Development Plan in the case of Juan Tabo Hills Tract 4A, by the corresponding Maximum Annual Special Levy set forth in Table 1 above. Notwithstanding Section B, the Administrator may determine that a Parcel comprises multiple land use classifications and/or multiple levy classifications. For example, a Parcel of Residential Property may be comprised of both Permitted Property and Unpermitted Property if the Final Plat for such Parcel does not establish separate residential lots for each Dwelling Unit; in this case the Dwelling Units for which a certificate of occupancy has been issued would be classified as Permitted Property and the applicable total number of anticipated Dwelling Units shown in Exhibit A for such Final Plat less the number of Dwelling Units for which a certificate of occupancy has been issued would be classified as Unpermitted Property. The Maximum Annual Special Levy for a Parcel comprising multiple property classifications and/or multiple levy classifications shall be equal to the sum of the Maximum Annual Special Levies for the Dwelling Units and/or Non-Residential Building Area in each classification.

1. **Reduction in Maximum Annual Special Levies**

If at any time the Administrator determines that there has been or will be a reduction in the Maximum Annual Special Levies as a result of an amendment to Exhibit A, a reduction in the number of Dwelling Units, Non-Residential Building Area, or other event which reduces the Maximum Annual Special Levies such that the annual debt service coverage ratio is less than one hundred ten percent (110%), then at the discretion of the District Board either (i) the Maximum Annual Special Levy for the Parcel(s) located in the Preliminary Plat(s) or Final Plat(s) in which such a reduction has or will occur shall be increased pursuant to C.2.a below to compensate for the reduction or (ii) a prepayment shall be made pursuant to C.2.b below. Each year's annual debt service coverage ratio shall be determined by dividing (i) such year's reduced Maximum Annual Special Levies less estimated Administrative Expenses by (ii) the sum of the corresponding annual interest and principal payments on the Bonds.

a. **Adjusted Maximum Annual Special Levy**

If the District Board determines that the Maximum Annual Special Levy shall be increased to compensate for an amendment to Exhibit A, a reduction in the number of Dwelling Units and/or Non-Residential Building Area, or other event which reduces the Maximum Annual Special Levies such that the annual debt service coverage ratio is less than one hundred ten percent (110%), then the Maximum Annual Special Levy shall be increased pursuant to C.2.a.i and/or C.2.a.ii below, as applicable. Note, no adjustment shall be made prior to the sale of Bonds.

i. **Changes to Residential Property Dwelling Units**

The Maximum Annual Special Levy per Dwelling Unit for the subject Parcels shall be increased by multiplying such Maximum Annual Special Levy by a quotient the numerator of which is equal to the sum of (i) the then applicable Maximum Annual Special Levies for the subject Parcels and (ii) the amount by which the Maximum Annual Special Levies for the District is less than the estimated annual Administrative Expenses and one hundred ten percent (110%) of the maximum annual interest and principal payments on the outstanding Bonds and the denominator of which is equal to the then applicable Maximum Annual Special Levies for the subject Parcels, taking into consideration the changes resulting in the reduction.

ii. **Changes to Non-Residential Building Area**

The Maximum Annual Special Levy per 1,000 square feet of Non-Residential Building Area shall be recalculated by employing the following formula:

$$SL_{New} = [SL_{Old} \times (BA_{Old} / 1000)] / (BA_{New} / 1000)$$

SL_{New}	=	Revised Maximum Annual Special Levy per 1,000 Square Feet of Non-Residential Building Area
SL_{Old}	=	Maximum Special Levy Special Levy per 1,000 Square Feet of Non-Residential Building Area prior to increase
BA_{New}	=	Revised Amount of Non-Residential Building Area
BA_{Old}	=	Amount of Non-Residential Building Area prior to change

b. Prepayment of Reduction

If the District Board determines that the reduction in the Maximum Annual Special Levies shall be prepaid, such prepayment amount shall be computed pursuant to Section H, with the following modifications:

- The difference between the Maximum Annual Special Levies required for one hundred ten percent (110%) debt service coverage and the amount to which the Maximum Annual Special Levies have been reduced shall serve as the numerator when computing Principal; and
- The Maximum Annual Special Levies necessary for the annual debt service coverage ratio to equal 110% shall serve as the denominator when computing Principal.

2. Exhibit A Amendments

Exhibit A may be amended pursuant to an executed certificate, the form of which is attached as Exhibit B. Any amendment to Exhibit A shall be approved by the District Board and recorded with the County Clerk.

D. APPORTIONMENT OF ANNUAL SPECIAL LEVY

Commencing with Fiscal Year 2008-2009 and for each following Fiscal Year, the District Board shall apportion the Annual Special Levy as set forth below until the Annual Special Levies equal the Special Levy Requirement, provided the Annual Special Levy for any Parcel does not exceed its Maximum Annual Special Levy.

First: The Annual Special Levy shall be collected from each Parcel, or portion thereof, of Permitted Property in equal percentages up to 100% of the applicable Maximum Annual Special Levy;

Second: If additional monies are needed to fund the Special Levy Requirement after the first step, the Annual Special Levy shall be collected from each Parcel, or portion thereof,
