

ActiveKEY Exchange/Upgrade

eKEY Basic or Pro: by September 5th

XpressKEY: September 10-11th

For the past two years, **ActiveKEY** users have been impacted by an unacceptable failure rate. This is due to both manufacturing defects and generation upgrades to cellular tower technologies eliminating 2g technology.

In June, the GAAR Board of Directors voted to eliminate the **ActiveKEY** and will offer 3 replacement options:

Option #1: eKEY Basic (smartphone app) *available now at GAAR*

- Manage lockboxes and track by SWMLS ID
- Customize keybox access hours and listing specific information
- Check to see if your smartphone or tablet is [compatible](#)
- Billed monthly at \$15.62 + tax per month

If you choose this key, DO NOT PAY your Annual Invoice in August and visit GAAR by September 5th to upgrade.

Option #2: eKEY Professional (smartphone app) *available now at GAAR*

- View and search listings from your phone
- Search and view a list of agents in SWMLS
- Check to see if your smartphone or tablet is [compatible](#)
- Billed monthly at \$26.73 + tax per month

If you choose this key, DO NOT PAY your Annual Invoice in August and visit GAAR by September 5th to upgrade.

Option #3: XpressKEY (handheld) *not available till September 10-11th*

- Touchscreen display and replaceable battery
- Location tracking
- Sends real-time showing data
- Billed yearly at \$232.08 + tax (\$19.34 per month)

If you choose this key, PAY your ActiveKEY Annual Invoice in August and visit GAAR for the Supra Key Exchange on September 10-11th. Billing adjustments will be made at that time.

Not sure which key is best for you? You have 4 options:

1. Try the eKEY demo in-advance (go to Apps, search Supra eKEY and download the app)
2. View [Supra Key options](#)
3. Test all devices at the **ActiveKEY Exchange**, September 10-11th
4. Call GAAR Education at 505-842-1433, option 2

ActiveKEY Exchange
