Which technologies offered by SWMLS are your favorites, and why?

Forewarn. Safety first! I also use RPR a lot.

Please share your experience, qualifications, skills, knowledge, and any other relevant information that would make you an asset to the SWMLS Board of Directors and SWMLS Participants and Subscribers. What leadership skills do you bring to the role?

Very involved; I study up on materials in depth and arrive prepared for meetings.

What is the role of the SWMLS and what are the challenges facing SWMLS moving forward?

Lately there seems to be a lot of misunderstanding about Buyer Broker Agreements. As always, education of members is of key importance.

What are the strengths of the SWMLS core software and affiliated technology offerings and where do you see room for improvement and/or change?

I'm personally unable to login from my phone to ShowingTime therefore unable to complete feedback requests. I suspect this is a major contributing reason why feedbacks received on listings is low today.

What is the one thing you would like to change that is in the purview of SWMLS?

Nothing comes to mind now.

Additional remarks by Candidate:

I would be so honored to help SWMLS as a volunteer Director to the best of my ability. Thank you for your consideration!

We appreciate your interest in serving. You will be notified when the Nominating Committee chooses the candidate slate for the upcoming election.
