**REALTORS<sup>®</sup>  
Political Action  
Committee**

*Investment is more than a word...  
It guides our economy and provides for  
the continued success of the  
real estate industry.*

Since its inception almost forty years ago, the REALTORS® Political Action Committee (RPAC) has worked to ensure that the real estate industry speaks with a unified voice, and continues to provide you with an influential political presence in our nation's capital, state legislatures and city halls.

RPAC is the only political action committee in the country dedicated to furthering the real estate industry.

**The Question is...**  
*Are you concerned about  
the following issues?*

- Promoting home ownership across the economic spectrum
- Expanding the availability of health insurance for small businesses
- Keeping the federal government out of real estate regulation
- Preserving the separation of banking and commerce
- Improved congressional oversight of federal regulatory decisions
- Fostering a vibrant commercial real estate sector

The Commercial Association of REALTORS® - New Mexico is working on the following state and local issues impacting private property rights:

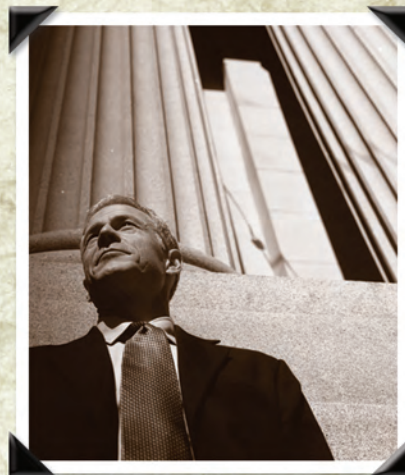

1. Preventing a moratorium on TIDD's
2. Use of water and sewer extension policy to control growth
3. Sector plans that have the potential to take private property rights
4. Preventing the imposition of transfer taxes

If so, you should know RPAC aggressively pursues the election and re-election of candidates for local, state and federal offices who stand up and support real estate professionals on key issues like these, as well as a long list of other issues critical to our future!

By participating in RPAC, your voice is heard collectively with hundreds of thousands of your colleagues across the country. RPAC provides you a seat at the table. If you don't get involved, you may face the prospect of bad legislation or a new set of crippling regulations.

**Getting involved is simple.**

Get involved by joining more than five hundred thousand of your colleagues nationwide, who agree that RPAC is the best investment you can make to influence your profession's long term growth and the stability of the real estate industry.
