

Participant/Subscriber Commitment for CRS Data

The Southwest Multiple Listing Service, Inc. (SWMLS) and Courthouse Retrieval System (CRS Data) have proposed an agreement to allow SWMLS participants and subscribers to acquire CRS Tax integrated with Flexmls, as an 'a la carte' option.

For individual, the non-MLS integrated, CRS LocalLook is available at \$1,800 per year, but SWMLS was able to negotiate a much lower rate for the original CRS Tax, with a minimum of 150 commitments. The proposed agreement would be an annual, non-refundable fee of \$180, a savings of \$1,620.

The annual, non-refundable fee of \$180 will be the responsibility of the SWMLS participant or subscriber to pay at the time of the determined annual billing.

If you choose to acquire CRS Tax, your commitment entails:

- One-year, non-refundable subscription fee for \$180
- Subscription may be canceled at any time, but unused portion of annual subscription fee is non-refundable
- Full amount will be collected on an annual basis by SWMLS and remitted to CRS Data
- Unpaid invoices are subject to SWMLS collection policies

Submit your commitment by Tuesday, June 30th, 2020.

In the event SWMLS is unable to proceed with the offer, subscribers will have the option to register for CRS FirstLook on their own by visiting crsdata.com. CRS FirstLook is not integrated with Flexmls and has a limit of 2,500 exports a month.

By signing the commitment, you agree to the terms listed above.
