

Day 1 - Tuesday March 24th

Run a Successful Real Estate Website

3 CE
from 9-12

Having a website is easy. Having a successful site with traffic, lead capture & good search engine optimization is not. In this session you will learn everything you need to have a truly successful website.

Run Your Business on Google & the Cloud

3 CE
from 1-4

In order to go paperless & mobile, you must embrace the cloud. And no one does the cloud better than Google. In this session you will learn how to run your entire business on the Google G Suite Platform plus other cloud based tools like Evernote, CRMs & more.

Day 2 - Wednesday March 25th

Market Like a Rockstar on a Roadies Budget

3 CE
from 9-12

Consumers have totally changed over the last few years and so has marketing. This session will get you up to speed on how & why and give you proven marketing strategies to effectively reach today's consumer.

Social Media Success in Just Minutes a Day

3 CE
from 1-4

Social media is a great way to gain business & stay in touch with your sphere, but it can also be overwhelming. This session will not only teach you how to excel, but gain the time management skills & tools to pull it off & a deep dive into each of the major social networks.
