II. Estimated Operation and Maintenance Expenses

The PID will incur no operation and maintenance expenses with respect to public improvements. The PID will incur Operating Expenses in connection with the governance of the PID and the billing and collection of the special levies imposed by the Board pursuant to the Formation Resolution. Those Operating Expenses may include, but not necessarily be limited to, legal, bookkeeping and audit services for the PID, bank fees, the PID Administrator's fees and the County of Sandoval's costs of collecting the special levies. For Fiscal Year 2019-20, the preliminary budget for PID Operating Expenses is $44,909, and the detail is shown here in Table II-1.

III. Cost of Public Improvements Financed by Special Levy

The Special Levy will not directly finance public improvement construction costs. Rather, the PID has entered into a Development and Reimbursement Agreement (the "Reimbursement Agreement") by and amongst the City, the PID and Amrep Southwest, Inc. (the "Developer") with an effective date of July 13, 2016. Under the terms of the Reimbursement Agreement, the City and the Developer agreed that the Developer would design and construct all PID Eligible Infrastructure Improvements, and initially pay the cost of those improvements, along with the formation costs for the District. The City and Developer further intended that a portion of those costs would be reimbursed by the PID to the Developer by the District's issuance of Reimbursement Certificates payable by special levies. To date, five such Reimbursement Certificates have been issued by the PID, the details of which are summarized here in Table III-1.

VII. Special Levy Methodology

All of the real property in the PID shall be subject to the Annual Special Levy for the purposes, to the extent and in the manner provided in the Rate and Method, unless exempted by the provisions thereof. The Rate and Method defines several classes of Property, including Undeveloped Property, Exempt Property, Platted Property and Developed Platted Property. The Rate and Method further dictates that the Annual Special Levy will only be collected from Developed Platted Property, which is defined as any parcel for which a certificate of occupancy permit was issued as of April 30 and the Final Plat was recorded as of the preceding fiscal year. As of April 30, 2019, the City of Rio Rancho indicates that one hundred ninety-seven (197) certificates of occupancy have been issued for property within the PID.

The Special Levy is apportioned to each parcel of Developed Platted Property in accordance with the designation of lot density prescribed in Table 1 of the Rate and Method. The Maximum Annual Special Levy and projected Fiscal Year 2019-2020 Special Levy amounts are summarized by levy classification here in Table VII-1.
