GREAT NEWS FROM REALTOR.COM[®]

Detailed reporting from realtor.com[®] is headed your way, showing the latest activity and engagement on your listings.

Realtor.com[®] delivers **free detailed reporting** for agents and offices that are part of your MLS.

As part of this free benefit from realtor.com[®], you'll be able to get important information about your listing inventory that includes:

Search Results Impressions: See exactly how many times your home has shown up in the local search results on realtor.com[®]

Listing Page Views: See how many times your listings have been viewed by buyers

Inquiries: See how many potential buyers have inquired about your listings

The report shows up to 12 months of data, and you'll even have the ability to view **activity on each individual listing** in your inventory via our Individual Listing Reports – reports designed to inform you, along with a version you can send via email to sellers.
