## RPAC AND RECPAC

A **voluntary amount of \$50.00 to RPAC** is suggested to support the efforts of state and federal legislation and a **voluntary amount of \$10.00 to RECPAC** is suggested to support local efforts on the issues that are most important to the growth and stability of the real estate industry. Because RPAC and RECPAC are voluntary contributions, it is not deductible for federal income tax purposes. 70% of each contribution is used by the state RPAC-NM to support state and local political candidates. Until RPAC-NM reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a. 100% of RECPAC contributions goes to supporting local issues and candidates.

\* Dues and assessments are not deductible as charitable contributions for federal income tax purposes, but may be deductible as ordinary and necessary business expenses. Please consult your tax advisor.

\*\* For 2016, these amounts are non-deductible for income tax purposes due to lobbying and political activities at the Local, State and Federal levels of government.
